

# Here's what we are doing on our part to help prevent the spread of Covid-19 and to keep you all safe!

- We are encouraging social distancing – we have at least 1 lane of separation between groups of open bowlers
- Continuing to wipe down the tables and chairs after a group is done bowling
- Wiping all of our bowling balls after they are used
- Wiping down all of our railings and door handles multiple times a day
- Offering hand sanitizer gel and wipes at the front counter and across the bar

We would like to thank everyone for their continued support during these uncertain times. We look forward to seeing you soon!
